NEW YORK'S HOMETOWN NEWSPAPER

Monday, April 12, 2004

(R-Wyo.), **Sen. Ted Stevens** (R-Alaska) and **Sen. Jim Jeffords** (I Vt.) gathered on the roof of the Dirksen Senate Office Building. Schumer had recruited Smithsonian scientists to help the pols understand bodies even brighter than themselves...

TINA LOUISE made an early exit from model **Larissa Bond's** birthday bash at Viscaya last Thursday. Someone doused the "Gilligan's Island" actress with a squirt gun filled with Veuve Cliquot. Bond is helping to toss a party tonight at 212 for **Dr. David Goldberg**, author of "Light Years Younger." Among the beautiful young things who'll be on hand is **Patty Hearst's** 19-year-old daughter, **Lydia Hearst Shaw**, who's on the cover of Italian Vogue...

ABBA STAR Agnetha Faltskog snubbed bandmates by not appearing at an ABBA reunion in London to mark the 30 years since they won the Eurovision Song Contest and the five years since the launch of the ABBA musical "Mamma Mia!" She's rumored to be bitter still over her 1981 divorce from former bandmate **Bjorn Ulvaeus**.
